### NOTICE PERIOD

One calendar month's written notice is required should you wish to terminate your child's attendance and may be subject to a cancellation fee.

### Take note

In the event where school fees are in arrears, a written notification will be sent to the scholar's parents/guardians. If such account remains in arrears for a period of twenty business days after receiving such notification, the contract between the school and the scholar's parents/guardians will be regarded as terminated due to breach of contract and the scholar will be requested to leave the premises and will be barred from attending further classes.

### PAYMENT OPTIONS FOR SCHOOL FEES

### ADDITIONAL COSTS THAT WILL BE RECOVERED FROM PARENTS

- Damages suffered by the school due to the negligence of students.
- Any extra cost involved with educational visits, for example entrance fees and transport.
- Once a scholar has tested positive for any substance, it will be the responsibility of the parent(s) to produce a negative test result in respect of such scholar from a pathology laboratory for that substance every second week. This does not preclude the school from testing as well. R100 will be charged for every positive drug test performed by the school.

### NON-PAYING PARENTS/GUARDIANS

If any portion of the total amount of school fees that is payable in terms of a specific payment plan is not paid on or before the specified date, the full outstanding amount of the annual school fees will become due and payable and legal action may be taken.
